ABOUT US

BASCO Industrial was established in 1992 as a versatile steel fabrication manufacturer . We are the main subcontractor for local and international projects. Specialized in custom stainless steel fabricated work covering the following scope;

- Fabrication & Installation of steel / stainless steel metal works
- Miscellaneous Metal works for buildings
- Stainless steel & Steel Doors
- Stainless Steel products for industrial kitchen & laundry facilities (Hotels, Restaurants..etc)
- Stainless Steel products for hospitals, pharmaceutical plants, and laboratories
- Stainless Steel Anchors for marble & granite mechanical fixations
- Prefabricated Bathroom Units.

In order to remain competitive and achieve the highest customer satisfaction, we provide a wide range of services including but not limited to:

- Design Drawings
- Shop Drawings
- Supply & Installation

Our factory is capacitated to handle colossal projects. With a complete functional structure and an expert team of technicians, we are able meet client requirements, and overcome any technical challenges we may face in-order to guarantee the highest quality of success to all the projects that we are involved in.

MAIN ACTIVITIES

1. Miscellaneous Metal Work:

Manufacture, Supply, and Installation of custom metal work as follows;

- Handrails
- Gratings
- Ladders for construction utilities
- Specialized false ceilings
- Cladding
- Fences
- Decorative metal items

2. Doors & Windows (Steel & Stainless Steel)

- Hollow metal doors
- Fire Doors
- Windows

3. Hospitals, Factories, Pharmaceutical Plants, and Laboratory Equipment.

Custom stainless steel works for various industries.

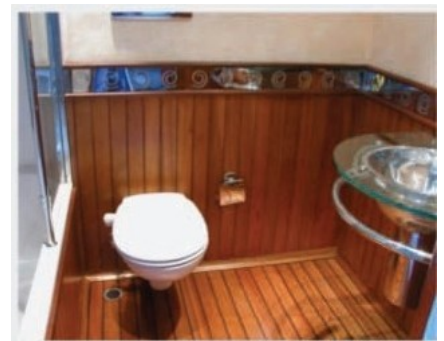

4. Stainless Steel Anchors (Marble & Granite Mechanical Fixations):

Wide range of fixation systems. We are able to manufacture any special system to fit technical specifications, while meeting international standards.

5. Prefabricated Marine bathroom units:

Manufactured with a variety of finishing, as per the clients demands.

FACTORY CAPACITY/ MACHNERY

C.N.C Water Jet Cutting Machine	2
Hydraulic Guillotine Shear 4 mt/10 mm	1
Sanding Machine	1
Hydraulic Press Brake 4 mt I 150 ton	1
C.N.C Hydraulic Press Brake 3 mt I 120 ton	1
Eccentric Punching Press	2
Hydraulic Punching Press 25 ton	1
Hydraulic Tube Bending Machine	2
Complete set for tube preparation (cutting, inclining, chamfering Etc.)	2
Plate Bending Rolls (2M)	1
Tig Welding Machine(Argon)	10
Portable Tig Welding Machine (Argon)	12
Plasma cutting Machine	1
Counter Lathe (turning machine)	2
Planner Machine	1
Milling Machine	1
Reciprocating saw	2
Grinder Machine	1
Cutting Discs	2
Drilling Machine	5
End Mill	1
Eccentric Profile cutting Machine	1
Full set of equipment for producing Marine	1
Complete Set of Polishing	1
